

2 soverom Leilighet til salgs i Benidorm, Alicante

282.000€

Do you like leisure, enjoyment, the sea? If the answer is of course, you are in luck, with this apartment you have it all just a step away from you, do not hesitate and come to know it. This apartment is located on Avenida Mediterraneo in Benidorm, tourist and leisure center par excellence in the Mediterranean and the Valencian Community, ideal area where you can enjoy the beach, beers, ice cream or maybe a relaxing walk without cars. This apartment enjoys an ideal location that offers you all this. In addition, with the parking space to avoid the hassle when in the summer months parking may be scarce. Also, you could visualize yourself having breakfast while enjoying the sea in the background or perhaps dining by candlelight from the terrace or the living room from where you can see the sea and feel its energy, its magnetism ... This apartment is ideal for investors, families who want a second home, live, telework in a special environment, whatever you want. It has 2 bedrooms with bathroom, a large living room, a large terrace where lying down you can see the sea. Do not hesitate and come to know this magnificent apartment and fall in love with the opportunities it offers. Contact us, we will be happy to help you.
