

## 1 soverom Villa til salgs i Ciudad Quesada, Alicante

69.995€

Here we are delighted to offer onto the market this contemporary-style, south facing bungalow. Forming part of a community with well maintained gardens and pool area, the property would benefit from being updated, although fully functional as it is. The community fees are relatively high compared to other developments, but cover also the utilities (water and electricity, 180€ pcm). So very cost effective maybe if planning frequent or long-term use.
