499.000€

This fantastic building plot with panoramic views is located in a very quiet private location, where you can enjoy the sea views from Moraira to the rock "Peñon de Ifach" in Calpe.

On the left side of the plot there is a green area with pine trees and on the right side there is only one buildable plot (1.056m²) that can also be purchased. See our reference Max1697 for more information about this plot.

Light and water connections are now available, as well as a sidewalk.

The plot is south-east facing and is hidden, because the access road is behind the house. The beach of La Fustera is only a 5-minute drive away..

We will be happy to provide you with more information if you are interested in purchasing.
