

## 3 soverom Villa til salgs i Los Alcazares, Murcia

449.000€

We present a UNIQUE project - Modern, detached villas in the exclusive Santa Rosalía Lake and Life Resort, on the Murcia Coast.

The resort has been designed as a unique holiday and residential resort, surrounding an impressive crystal clear, beach-style lake. In addition to the various water activities available at the lake, the resort offers other facilities and activities, like volleyball, mini golf, yoga, a gym etc., as well as a commercial area and a Beach Club with a restaurant. The main town of Los Alcazares and the fabulous beaches of the Mar Menor are only 4km away. The resort is completely closed, offering residents a private and secure environment to enjoy their stay.

Modern, two-storey villas with 3 bedrooms and 3 bathrooms, a basement, with or without a private pool. All the villas have an open plan ground floor, with a combined lounge, dining area and kitchen, that opens onto a covered terrace and garden area. There is a double bedroom and a complete bathroom on this floor too. The 2 remaining bedrooms are on the first floor, both with a private bathroom and access to a terrace overlooking the garden. The master bedroom also has a private terrace. The 80m<sup>2</sup> basement is a multipurpose space, that can be used as an extra lounge area, entertainment or home cinema, a gym, or any other requirement. There is a beautiful English patio on the basement level, that extends up to the garden area.

The villas will be constructed with quality materials, with a choice of customisation options available. Included on delivery is pre-installation for ducted A/C, integrated white goods, underfloor heating in the bathrooms, electric blinds, indoor and outdoor lighting, landscaped garden, private pool (depending on the model), and parking in the premises.
