

3 soverom Leilighet til salgs i Guardamar del Segura, Alicante

212.000€

This exclusive complex consists of tourist apartments, available in two or three-bedroom configurations, each with two bathrooms. Located around a large green area with a community pool, it is a private and secure development, equipped with a variety of amenities including a SPA, outdoor gym, recreation areas, children's playground, mini-golf, and pétanque area. Each property includes a parking space and a storage room in the basement, both included in the price. Situated on the front line, these apartments offer impressive views of the Laguna Salada de La Mata, providing a peaceful and natural environment where you can also enjoy sunset walks, either on foot or by bike. When you are not enjoying your property, you have the option to rent it out. This flexibility allows you to generate additional income while your apartment is not in use. Modern and Comfortable Design: The apartments are designed with a focus on comfort and modernity, offering spacious and bright areas equipped with all the necessary amenities for a pleasant stay, always adhering to our quality standards that we always offer in our properties. Personalized Experience: Enjoy a serene and relaxing environment, perfect for unforgettable vacations. Don't miss the opportunity to be part of this exclusive project. Contact us for more information and secure your place in these incredible tourist apartments with views of the Laguna Salada de La Mata.
