Stunning Mansion for Sale in Crevillente: Space, Luxury, and Privacy in an Exclusive Location

Presenting this spectacular property in Crevillente—a true paradise that blends luxury, comfort, and functionality on a sprawling 17,800-square-meter plot, with 8,000 m² securely fenced for maximum privacy. With 600 m² of living space spread over two floors, this impressive residence features spacious, light-filled areas and a modern, elegant design that perfectly complements the natural surroundings.

- **Bedrooms and Suites:** The mansion boasts 8 well-appointed bedrooms designed for ultimate comfort. The primary bedrooms come with en-suite bathrooms and walk-in closets, offering private, restful spaces with exquisite attention to detail. The property includes a total of 7 full bathrooms, ensuring functionality and style for both residents and guests.

- **Common Areas and Entertainment Spaces:** The mansion features two large living room-kitchens, each with a fireplace, creating warm and inviting family areas. Additionally, it has two extra lounges and two galleries that connect these spaces, offering perfect spots for relaxation and entertainment.

- **Spectacular Outdoor Areas and Leisure Facilities:** The property shines with an extensive outdoor area that includes a private swimming pool with a BBQ area, a multi-sport court for football and basketball, and a private children's playground. This outdoor space allows for a variety of activities for all ages and is ideal for hosting social gatherings.

- **Modern Amenities and Security:** Every detail in this home has been meticulously designed for comfort, featuring air conditioning, central heating, built-in wardrobes, and electric blinds in the main bedrooms and terraces. The property
