

2 soverom Leilighet til salgs i Pilar de la Horadada, Alicante

229.900€

The project is composed by 34 apartments distributed over 3 blocks. The blocks 1 and 3 have two levels with ground floor and top floor apartments, meanwhile block number 2 it is distributed over three floors with elevator. The apartments have an open plan layout between the living room, dining room and the kitchen, two or three bedrooms and two bathrooms, from which one en-suite with the master bedroom, all of them built with high standards and very good qualities. All the ground floor apartments offer a big garden with its terrace that can be accessed from the living room and at least one bedroom. The middle floor apartments in block two have sunny balconies of approximately 20 sqm, plenty of space for your terrace furniture and to enjoy the sun. The properties belong to a gated community that offers communal green areas, swimming pool, jacuzzi, gym and playground for the kids. All the apartments are delivered with pre-installed A/C by ducts, floor heating in all bathrooms and have included a private parking space and storage under the building. The penthouses in block 2 are delivered with jacuzzi and artificial grass on the roof terrace. In the surroundings you can find sport centres, supermarkets, shops and coffee-shops. Within few minutes drive you can reach the lovely beaches of Torre de la Horadada or the well-known golf course Lo Romero.
