

4 soverom Villa til salgs i Moraira, Alicante

1.995.000€

This impressive villa, currently under construction with an estimated completion date of summer 2025, offers a perfect combination of modern design, advanced technology and maximum comfort on a plot of 1035 sqm. With a total area of 367 m² and 323 m² of living space, the house is distributed over three floors, divided into two functional volumes: one for the day rooms and one for the bedrooms. The main floor, the first floor, houses a spacious living-dining room with a modern high-end kitchen. The entire space is surrounded by large windows that let in plenty of natural light, creating a warm and energy-efficient atmosphere. Upstairs are the four bedrooms, all equipped with private bathrooms, spacious closets and direct access to the large terrace. The bathrooms, carefully designed with large format porcellanato tiles and top quality fittings, offer comfort and style in every detail. The 127 m² terrace extends to a spectacular 36 m² pool, ideal for enjoying moments of relaxation, while the large green area surrounding the house adds privacy and a natural environment. In addition, the house has an outdoor parking space for two cars, as well as an underground garage with capacity for two more vehicles. Every corner of this home has been carefully planned to ensure maximum comfort and functionality, with a combination of avant-garde design, high-quality materials and attention to detail that make it a true architectural gem.
