A visionary project in Casares, Malaga (Costa del Sol) consisting of 38 spacious apartments that will stand out for their high-end finishes, ample rooms and top notch services. The project will feature its amenities while also benefiting from the entertainment facilities of Alcazaba Lagoon.

The ground floor apartments will feature large gardens and a swimming pool, while the top floors will boast a solarium with incredible sea views and a private pool. All units are equipped with large south and southeast-facing terraces with the option of incorporating a jacuzzi.

The resort offers exclusive facilities to enhance the well-being and comfort of its residents. It includes a state-of-the-art spa where to enjoy various treatments, a modern sauna for relaxation and detoxification, and a gym equipped with advanced technology.
In line with the development's philosophy, the communal swimming pool will be surrounded by lush, aesthetically pleasing gardens. There will also be a sunbathing area for relaxation and reading in a serene atmosphere.

In addition, owners will have access to all the services and entertainment areas in the lagoon area. Enjoy water sports, such as kayaking and paddle surfing, as well as delicious dishes at the restaurant and beach bars or just relax with a cocktail in the new chill-out area.

Casares is a municipality located in the province of Malaga. It is surrounded by mountains and offers picturesque views of green hillsides and meadows that stretch down to the coastal strip. Located in the eastern part of Casares
