Get a benefit of an estimated 8% annual return by having your rental managed by a professional operator during the time you are not using it.

This is a unique opportunity for buyers looking for investment property. With the government making it harder to rent out residential properties for holiday rentals, our project is not affected. You own the property and can enjoy returns of around 8% per year, plus we manage the rentals entirely on your behalf!

Touristic Licences Are Getting Harder To Obtain - Our Project Does Not Need One.
