

2 soverom Leilighet til salgs i Torremolinos, Málaga

524.000€

Discover a luxurious residential project in a prime location. This development is a result of elegant architectural design, harmoniously blending modernity and functionality. Comprising 22 unique residences, each home is meticulously crafted with high-quality finishes. Equipped with climate control, each residence varies in style, featuring well-designed interiors, open-plan living areas, and spacious terraces that seamlessly integrate with the facade to provide exceptional views and high energy efficiency.

Every residence includes a parking space.

The common areas are conceived to maximize comfort and relaxation, featuring infinity pools, landscaped gardens, and recreational spaces that bask in abundant sunshine, all within a private enclosure. Located in a sought-after area, it is near notable attractions like a vibrant beach and a bustling marina with diverse dining options.

The properties offer 2 bedrooms with expansive terraces, premium kitchens that are furnished and equipped with modern appliances, and a single underground parking space with a pre-installation for electric vehicle charging. Available financing options cover up to 70% of the property value.

Positioned in the heart of Torremolinos, the development offers not only a tranquil lifestyle but also endless possibilities for leisure and entertainment around the corner. The proximity to the beach and local amenities ensures an ideal blend of convenience and luxury at an enticing price range.
