510.000€

We present this magnificent detached villa set on a generous 1,468 m² plot, ideal for those seeking peace, comfort and outdoor living, all just a short drive from essential amenities.

The property features an automatic entrance gate, ensuring privacy and security from the outset. The beautifully landscaped low-maintenance garden includes weed-control mesh and volcanic gravel, and is surrounded by native plants that offer both charm and sustainability. The home is distributed across a single level, with a welcoming entrance hall leading into a spacious and bright living room with fireplace, finished with high-quality Porcelanosa tiles. The entire house is equipped with oil-powered central heating with radiators, and electric shutters in several rooms for added comfort.

There are 4 spacious bedrooms and 2 full bathrooms, one of them en suite. The main bedroom features built-in wardrobes. The kitchen is separate and includes pre-installation for an outdoor summer kitchen.

The property is completed by a large garage with space for 3 vehicles, a machine room, and an additional space ideal as a laundry room or storage area.
