

5 soverom Villa til salgs i Cerros del Aguila, Málaga

1.976.000€

This exclusive development with the best golf, lake and sea views in Fuengirola and Mijas consists of 13 individual villas, choice of two types, each offering no less than four en-suite bedrooms. These thirteen unique luxury villas are considered larger and of a higher quality than others available on the Costa del Sol.

13 luxury Villas with the best golf, lake and sea views in Fuengirola and Mijas. Each villa comes with two floors plus a basement and a heated infinity pool.

High end qualities and finishes - Within the property, the bathrooms and kitchens are fitted only with high quality products from leading, luxury European manufacturers such as Porcelanosa, Daikin, schuco, innova, etc. It is believed that the quality of materials used, and workmanship of these first-class properties cannot be found anywhere else in the Mijas and Fuengirola area.

The best qualities in Energy Efficiency utilising:

Polytherm, a pioneer in hot/cold climate control through underfloor radiant systems, is in charge of creating the perfect atmosphere under your feet and, with the help of daikin and its aerothermal systems, they make these villas the most sustainable homes.

Aerothermal energy extracts energy from the air to produce: Heating, Cooling and Domestic hot water. It is a renewable, free and efficient energy source and, together with underfloor radiant systems, they are the perfect kit to create an environment to your liking in a sustainable way.
