

6 bedroom Townhouse for sale in Bailen, Jaén

370,000€

Beautiful classic house with a protected facade next to the Romanesque Church of the Incarnation of Bialén.

The house consists of three amplest plants, although the last one or attic is diaphanous for different applications that you want to give.

The house consists of classic furniture and works of art many of which are included in the transaction.

It consists of 6 bedrooms and 4 bathrooms.

More than 400 meters useful curved and with beautiful interior patio.

Ideal for people who want to live in a quiet and artistic period.
