

2 bedroom Apartment for sale in Estepona, Málaga

435,000€

Located within the popular town of Estepona, this brand-new project is newly released onto the market, and is offering investors an opportunity to purchase a 2 bedroom apartment, that comes complete with a garage parking space and storeroom included in the price.

Situated close to all amenities, these properties will be perfect for those wanting easy walking access to all the social amenities of the town, including the theatre, sports centre, commercial centre, schools, and the recently improved seafront.

The apartment is designed with an open plan flow between the kitchen and living/dining areas, with large sliding patio doors leading out on to the terrace, offering views across the town to the mountains and the sea.

The complex will offer the residents landscaped gardens, featuring 2 saltwater swimming pools, a gymnasium, sauna, and a social club, with additional co-working areas for those who wish to work from home.
