

5 bedroom Country House for sale in Altea, Alicante

320,000€

One of the most typical demands we receive from clients is a rustic home within walking distance of shops, restaurants, bars And this property ticks those boxes plus it is also an easy walk to the sea front. Admittedly there is no land with this property so no pool, just some small garden at the side but it does have a lot of habitable space, five bedrooms and two bathrooms, a lounge and dining area, a spacious kitchen, a covered rear patio and steps up to a solarium. We also have sea views from the glassed in terrace (naya).

The property originally dates from 1930 and is habitable but no doubt needs some updating however all the space is on the property deeds and secondly the location is only a few minutes walk from Altea and the sea front.
