

Land for sale in Torrox Park, Málaga

125,000€

An exceptional opportunity presents itself with a plot of 317m² in Torrox Park, where a construction of up to 33% is allowed, equivalent to a maximum of 100m² for architectural development. The offer stands out for its convenience as it includes essential services such as electricity and water. A key point to consider is the advantage that the basement is not accounted for in the construction calculation, thus providing unrestricted creative freedom to design and utilize the underground space. This location stands out for being an excellent area, perfect for building a beautiful villa with stunning views
