Design 6 is a lovely modern 3-bed villa with large open spaces and lots of light. It has a large lounge-dining area, a modern open plan kitchen all overlooking the covered terrace and pool area. There is a large master bedroom with an en-suite bathroom and dressing room, 2 guest bedrooms and guest bathroom. The 6 x 3 pool included is a saltwater pool that reduces maintenance costs and is much more natural for swimming.

THIS HOUSE HAS NOT BEEN BUILT YET, we build it especially for you according to your wishes and tastes, designed thinking about the Mediterranean lifestyle and can be modified to your liking. Our designs are for superior quality, custom built, modern villas where space and light play an important part of the design and living experience with clean, simple lines and lots of usable outside space. The design object is to incorporate the pool and terraces into the living area making the homes ideal for Mediterranean Living.

These villas will only be built on request with a construction time of about 10-12 months.

The price quoted is an estimation based on the drawings shown and could vary depending on the plot, customer requirements and material costs at the time of contracting.
