Just off the dining area is a separate room used as a utility area with W/C facilities. Taking the feature stairway to the second level is where you will find the three double bedrooms all of which are of generous proportions and two having fitted wardrobes. The master suite has a superb modern bathroom, in addition to this there is a modernised family bathroom with walk in shower. Also on this level, you will find the second lounge area where you can sit and admire the spectacular views that surround this property.
