Los Pacos offers you the possibility of acquiring these homes which are distributed in two bedrooms, two bathrooms, living-dining room with open plan fitted kitchen. They will improve your quality of life thanks to the best distribution of the spaces, functionality and quality of the construction materials that will be used. Each property has a parking space. The development has large communal areas with swimming pool, solarium, chill out area, gym, sauna and laundry. With security in mind, the development is completely enclosed, with a single pedestrian entrance and CCTV control, also at the vehicle entrance. An ideal option for those who are looking for a high standing home with a high level of comfort without giving up all the necessary shops, schools and services in the immediate surroundings, which are ideal for day to day life.

Fuengirola, located in the heart of the Costa del Sol, only 3 km from the beach, 20 km from Malaga airport and 30 km from the centre of Marbella.
