495.000€

Beautifully finished office property for sale in the heart of the old town of Javea. The building is distributed over 3 floors (plus basement) and is fully air-conditioned and heated. On the first floor is a welcoming reception area finished with toska stone walls and arches, along with solid wood windows with handmade internal shutters. The first floor further has an enclosed glass meeting room with an adjoining private office. The second floor consists of an open landscape office with access to a well-equipped kitchenette. On the second floor, you enter a spacious office space overlooking the quiet street in front or another quiet street in the rear. This floor has plenty of storage space and offers access to an open terrace. The property is located a 2-minute walk to the large underground parking garage Portal del Clot.
