

## Land for sale in Competa, Málaga

25,000€

A small but level plot (app. 100 sq.m) on the edge of the village limits. It has beautiful views down to towards the coast and is only a few minutes walk from the village. It would be ideal for someone who at present has a town houses but misses a garden. Irrigation system for water and could easily be planted with fruit trees and vegetables. Depending on planning permission it would be possible to build a small casita on the plot. Access is at present via a pedestrian entrance at the side of the plot.
