

1 bedroom Country House for sale in Ardales, Málaga

285,500€

If you are looking for a country property in Spain, this one might be of your interest!

Amazing country house in Ardales (Málaga) located on the outskirts of the Sierra de Alcafarín. It consists of two floors, the ground floor has a cozy living room, an fully equipped kitchen and a bathroom with a shower. And the first floor has a double bedroom where you can see the best views of the environment.

The plot has a swimming pool surrounded by the terrace, where you can enjoy sunbathing. At the entrance of the plot we find the barbecue area, and a wooden house ideal for guests. It has a large storage room to store all kinds of things.

The country house is placed in a olive tree plot where the soil is very fertile, so you will be able to plant all type of fruit trees.

The electricity is provided by solar panels and the water comes directly from a spring, it also has a 75,000 liter shared water tank.

The plot has its own entrance and is completely fenced.

This country house is surrounded by the best nature, you can enjoy bicycle routes, hiking ... And it is 20 minutes from El Caminito del Rey and Pantano el Chorro.

If you are looking for somewhere special, with charm, surrounded by nature and that could be used as a full time or holiday home, this will be a great option for you!
