

1 bedroom Country House for sale in Torrox, Málaga

180,000€

TCP203 Plano Alcahuete

Less than 3 Kms from the centre of Torrox, this country property is the perfect investment for someone looking to renovate a good-sized house in the country.

The house has approx 80 m² with one very large bedroom, a lounge, a kitchen-dining room with an open fireplace, a shower room and a storeroom. The façade of the house is approx 17m long where there is a large terrace (approx 45 m²), which would be ideal to glaze-in and make a bright conservatory/lounge. From this terrace there are good sea and country views. And sun from 11 am until the evening. The house has water and electricity

There is also a proper garage (30 m²) and an area to park a couple of cars

The plot has almost 7,000 m², with a variety of fruit trees, almonds and olives. The water is supplied by the irrigation community (one share) there is a 2,000 liter deposit at the top of the land and another deposit with 15,000 liters by the house. The land goes all the way down to the main road (A-7207) and then there is another part on the other side of the main road (329 m²) with almond trees.

Competa Properties can get you quotes for renovating the house, or you can enjoy your own personal DIY project. Certainly this property could become a beautiful home in rural Spain,

The location is just 10 Kms from the beaches in Torrox Costa and just one hour from the Malaga airport.
