

Country House for sale in Torrox, Málaga

110,000€

Rural plot in the Caserones area, 7 km from the center of Torrox to finish building a 24 m² farm building, with permission already granted.

The plot has 2,021 m² and the work has already begun: This includes a 70,000 liter water tank, an unfinished 70 m² basement, under the future terrace of the farm building, with countryside and sea views

There is a base already prepared to build: The farm building of 24 m², its front terrace of 70 m² and a backyard of another 24 m².

The shared access from the Camino de los Caserones is made of cement, the Camino de los Caserones country lane is accessible with a normal car.

Building work to finish: Build the 24 sq m farm building itself, finish the retaining walls, tile the terrace and back patio and put in an above-ground pool, all of which is estimated to cost approx. €80,000

The land has some olive trees.

Perfect project for a builder or DIY addict!
