

3 bedroom Townhouse for sale in Torrox, Málaga

179,000€

This wonderful townhouse in Torrox is located several minutes walk from the main square of the village. Located in one of the beautiful corners of Torrox, this property is defined not only by its spaciousness but also by its layout, which highlights a large number of rooms and 2 large terraces, plus a completely private garage.

This beautiful townhouse is located in a pleasant environment where you can find several supermarkets and local services in the vicinity of the house. In addition, just 1 minute walk away there is a parking and a bus stop, which connects to the beautiful beaches of the Costa del Sol in just 10 minutes. A traditional facade allows us to enjoy the exterior of the house, with access to the garage and the front door. On the first floor, we find a completely private garage with space for up to 3 vehicles. In addition, it has a separate entrance and connection to electricity and water. In the garage we also find a small bathroom. The latter can be an ideal option not only for those who want to make the most of the garage but also for those who are thinking of a change of use or enlarging the living space of the house.

From the ground floor, a marble staircase leads up to the first floor, where we find a large bright living room with a balcony overlooking the street and views to the village and the mountains. Next is a large fully fitted kitchen, followed by 1 single bedroom, 1 bathroom with bathtub, and a courtyard which could be ideal as a laundry area. From this floor, another flight of stairs leads to 2 double bedrooms and 1 bathroom with shower. On the final floor, there are 2 large terraces. The first one is a glazed and covered terrace, ideal for the winter months. On the upper part, we find the last terrace, completely outdoors, which also has a laundry room. This terrace is ideal to enjoy the mornings in the best climate in Europe or the warm summer nights.

This property is in need of some renovations in some parts of the house but in general it is in good condition and without any doubt it is an ideal townhouse for a family looking for a spacious house in an unbeatable location. It could
