Access to the house is ideal, finding right in front of it a parking area and a bus stop that connects frequently with Torrox Costa, among other nearby areas such as Nerja or Torre del Mar.

First of all, what stands out mainly of this property is its easy access in one of the streets surrounding the village of Torrox. Two completely private garages can be found at the entrance of the property. It can be an ideal place to enjoy the characteristic sun of the Costa del Sol with stunning sea views.

A flight of stairs from the ground floor leads to the first floor of the house, where we find the master double bedroom and 2 single bedrooms. Between these is the second bathroom of the house with bathtub. Among other features of this house, we highlight the various areas of outdoor space present in it, the presence of solar panels for hot water, and the perfect condition of the property.
