The house has a large plot enough to park the car inside if desired, another large side area with a large storage room, very useful for storing all the things that are not needed safely inside the house. It has a porch at the entrance to the front, living room, kitchen, a bathroom, a bedroom and a storage room on the ground floor. You go up the stairs and you find another 2 bedrooms and 2 bathrooms (one en suite). And on the third floor we find the private solarium. It has a community pool. Only 10 homes in the residential area, few neighbors, very quiet area.
