

3 bedroom Villa for sale in Finestrat, Alicante

535,000€

The villa, in an urbanization surrounded by green areas and golf courses, will occupy a total area of about 3 hectares and will be one of the best residential areas on the Levantine coast. Living in Finestrat is a luxury for a lucky few, and its wonderful climate throughout the year makes it one of the towns in Alicante with the best quality of life. The sea breeze in summer prevents temperatures from rising too high, and winters are relatively mild due to their special orography. Unbeatable location, just 5 minutes from the Mediterranean Sea, surrounded by pine forests, golf courses, leisure centres and theme parks such as Terra Mitica or Terra Natura. Finestrat is a small town of 6,000 inhabitants, located a few minutes from Benidorm. Its privileged location offers one of the best views of the entire Alicante coast, between the majestic Puch Campana and the beautiful skyline of Benidorm, something that its inhabitants know very well and that provides them with an unparalleled sensation. Finestrat is a town full of charm, with its streets soaked in colour, with typical facades painted in different colours and with an architecture that delights the most observant eyes.
