

4 bedroom Villa for sale in Calpe, Alicante

1,789,000€

We all have those moments when we wish we could simply find the villa of our dreams without too much hassle.

In this wonderful modern luxury villa, that dream can finally come true. This property is truly like something out of a Hollywood movie and is located in the Oltamar area of Calpe, allowing you to fully enjoy the magnificent sea views.

The villa is spacious and offers ample room for the family to spread out. It is conveniently located near restaurants and supermarkets and features two floors. The upper floor comes with all the amenities you could ask for, making it the perfect package.

The architecture of this project is designed with a philosophy of creating a modern home with very defined and straight lines, which are elements that stand out from the conventional in avant-garde architecture.
