140,000€

This large 254m² build town house in Monte Lope Alvarez in the Jaen province of Andalucia, Spain, is full of surprises. Open the front door into a hallway with a bedroom off to the left and a large living room room with fireplace ahead. Off the living room is the kitchen, two bedrooms, one of which is ensuite, a door to outside patio and a door to a large space, used as a store room with stairs to the attic. The attic is a blank canvas to make use of it how you will. Large enough for four bedrooms if wanted. The outside area has a well, fruit trees, an outside kitchen, a raised swimming pool and other storage rooms. If you enter the property via the double garage doors there is a door to another large room on the left and ahead a driveway passes the well, the log store, the pool and another gateway to the olive grove, with around 20 olive trees and a fig tree or two on a generous 5,316m² plot. This is a fantastic property, a town house at the front with the feel of a country property out the back.
