

3 bedroom Apartment for sale in Lanjaron, Granada

60,000€

Part of our exclusive collection

Welcome to this charming three-bedroom apartment in the heart of Lanjaron, located in the highly sought-after San Roque area. Just below the first floor, the property offers easy access, making it practical and convenient for everyday living.

Inside, you'll find a light and airy space with large windows in each of the bedrooms, ensuring plenty of natural light throughout the day. The living room, with its generous window, also benefits from an abundance of sunlight, creating a welcoming and comfortable atmosphere. Off the kitchen, there's a covered patio—an ideal spot for enjoying a meal, tending to plants, or simply making the most of outdoor space in a practical way.

The apartment comes equipped with air conditioning, providing a cool and comfortable retreat during the hot summer months. While the kitchen is yet to be installed, this offers the chance to design a space to your own taste and specifications.

Lanjaron itself is known for its natural beauty, famous for its healing waters and scenic surroundings. Nestled in the foothills of the Alpujarra mountains, this town offers a peaceful lifestyle while still being within easy reach of both the coast and Granada city. San Roque is particularly appealing due to its central location, making this apartment a great opportunity for those looking to live in one of the most desirable parts of town.

This apartment is a wonderful canvas for someone looking to create a comfortable home in this beautiful part of Andalusia.
