The third level is dedicated to the living spaces.

There are two distinct spaces: one for the living-dining room and one for the kitchen.

These can be connected by sliding doors, creating a large, open space that connects directly to the outdoors through four large sliding glass panels.

This flowing indoor-outdoor space allows you to enjoy the fresh air and beautiful views with ease.

The kitchen will be equipped with high quality appliances from MIELE or equivalent, fully integrated, including oven, microwave, coffee maker, dishwasher, refrigerator, freezer and induction cooktop with integrated hood with ventilation to the outside.
