A NEW AND UNPARALLELED PRIVATE COMMUNITY OF LUXURY VILLAS WITH 5-STAR RESORT AMENITIES

An EXCEPTIONAL LIFESTYLE CONCEPT NEVER BEFORE SEEN IN MARBELLA

Welcome to an innovative lifestyle that combines privacy with a dynamic community, prioritizing services, security, and quality of life. A sophisticated private residential complex of avant-garde villas, located in the hills of Palo Alto, within walking distance of the center of Marbella, offering an extraordinary life with 5-star services and amenities to enjoy luxury without complications. A concept framed in a unique enclave, surrounded by stunning nature in a serene environment, with magnificent views of the valley and the Mediterranean Sea.

The Gallery is conceived under the principle of the art of living, where quality of life and well-being are essential elements that drive the design and development of the project. The Gallery presents a collection of exquisite private villas, harmoniously integrated with the stunning surrounding nature, and an innovative approach that allows customization and adaptation of the villa to the highest wishes and demands.

Four spectacular designs to choose from: Monet, Van Gogh, Klimt, and Pollock. Each with over 800 m² built and the option of four or five en-suite bedrooms, double-height ceilings, landscaped gardens, and infinity-style pools. With balanced architecture, the villas incorporate top-quality materials and the latest trends in design and technology. Whatever the desired villa style, it can be built on the plot of your choice.
