

Land for sale in Canillas de Albaida, Málaga

77,000€

Situated within the boundaries of the pretty white village of Canillas de Albaida, on the asphalt road leading into the Natural Park and the impressive mountain ranges, this level plot of app. 340 sq.m has, along with other trees, some of the wonderful nisperos, a fruit similar to medlars . A really level plot it could be easily cleared and a pretty village house built on it or equally used to provide someone who lives in the village a little garden and place to relax .A couple of minutes walk brings you into the village with its pretty shops and restaurants.

A little piece of Spanish heaven just waiting for the right person.
