

Land for sale in Vera, Almería

55,000€

Grupo Platinum Estates presents this rustic unirrigated plot of more than one hectare in Pago de Morata, Vera. Call us now for more details +34 950 46 61 12

This plot of 10.792 m² is ideal for those who are looking for a large space in a natural and peaceful environment, with a privileged climate typical of the region. The plot includes 128 m² of built industrial area, which allows for multiple possibilities of use, from agricultural warehouse to machinery workshop or processing centre. The unirrigated land is perfect for the cultivation of droughtresistant species such as olive trees, almond trees or certain varieties of vines, making it ideal for those wishing to undertake sustainable agricultural projects. The proximity to Vera and its easy access favours the development of complementary activities and enhances the value of the land as a medium to long term investment.
