

## 1 bedroom Townhouse for sale in Restabal, Granada

40,000€

Part of our exclusive collection, welcome to Casa Guitarra a small piece of tranquility in the heart of a white-washed village.

Casa Guitarra provides a tranquil escape for those who need a simple base to travel from and explore what the Lecrin Valley has to offer, or for those wanting to get to know the area with a view to buy a larger house in the future.

While the house is comfortable as is, it also holds potential for modernization and would be a great mini project for those who have a keen eye for detail.
