From the entrance gate you have a driveway, which extends along the property and finishes with a covered parking area, with a small storage room.

There is also a garage built into the house, this is currently used as a utility room with washing machine and dryer, but has potential to be divided in half, with the divided area to become an ensuite bathroom to the largest of the 4 Bedrooms.

There is more parking to the side of the Villa, and a Spanish style barbecue with two wood stores in a nice, shaded area, which then leads out to the rear gardens.
