

Country House for sale in Santa Eularia Des Riu, Ibiza

2,500,000€

This exclusive plot of 1,480 square metres is located in the prestigious area of Can Furnet, offering a unique opportunity to build your dream home. The architectural project included allows for the construction of a luxurious residence of 616 square metres, complemented by an annex of 241 square metres. The property contemplates a modern and functional design with generous spaces and an optimal distribution. The main house consists of 4 spacious bedrooms, each with its own bathroom, providing privacy and comfort. The social area stands out for its luminosity and connectivity, with a modern kitchen that integrates harmoniously with the living room and dining room. From here, there is access to a spectacular swimming pool surrounded by lush green areas, creating an oasis of tranquillity. In addition, the property has a garage for several vehicles, ensuring comfort and security. This plot offers an exceptional opportunity for those seeking an exclusive home in a privileged location, where elegance combines with functionality in a natural and sophisticated setting.
