

3 bedroom Apartment for sale in Los Alcazares, Murcia

128,000€

Your ideal home in Los Alcázares awaits you!

Imagine living in a charming ground-floor house with all the amenities you need, just a stone's throw from the city centre and with the peace and quiet you deserve. This home offers you a comfortable and spacious lifestyle, with a design that makes the most of every corner.

Layout you'll fall in love with:

Ground floor: Two cosy bedrooms, perfect for resting and relaxing, a full bathroom, a bright living room where you can share special moments and a functional kitchen with a laundry room. Forget about worries about space! Exterior: Enjoy two patios, one at the front with a garden and space to park your vehicle, and another rear, spacious and private, ideal for organising outdoor meals, sunbathing or letting the children play freely. Upper floor: An additional room with a private bathroom, perfect for guests, a study or a work area. And there's more! A private terrace where you can relax and enjoy the views. Solarium: Climb to the top and discover your own oasis. A private solarium for sunbathing, organising barbecues or simply disconnecting from the world. An unbeatable

location:

This house is in a privileged location in Los Alcázares, a stone's throw from institutes, schools, supermarkets and everything that the city centre has to offer. You will have the comfort of having everything at hand without giving up the tranquillity of a spacious home.

Don't wait any longer to live as you have always dreamed!
