139,000€

Charming Country House in Yecla – A Unique Opportunity

Located in a peaceful hamlet just 15 minutes from Pinoso, this spacious and authentic property offers endless possibilities for those seeking a large home with character and modern potential.

Property Highlights:

Generous Spaces:

Ground Floor: With a total area of 250m², this floor features a large living room, kitchen, social areas ideal for daily living, and several of the 7 bedrooms distributed across both floors. It also includes a fully equipped bathroom and a large patio, perfect for family gatherings or outdoor activities.

Upper Floor: Offering an additional 100m², this floor includes more of the total 7 bedrooms. Additionally, it can easily be transformed into an independent residence or adapted for various needs. Although it currently lacks water and electricity installations, connections can be made without difficulty.

Modern Comforts:

The house is equipped with air conditioning and a wood-burning stove to ensure year-round comfort. Mains water and electricity are already connected on the ground floor.
