

4 bedroom Country House for sale in Yecla, Murcia

279,000€

We are delighted to bring to the market this stunning recently renovated villa in the municipality of Yecla's countryside yet just 15 minutes from the towns of Yecla Jumilla and Pinoso.

I visited this property before the current owner moved in and changes they have made are truly stunning. The property now gives a lovely light airy and homely feeling

As you enter the property into the main sitting room with log burner and traditional Spanish ceiling leading through into the most beautiful room I think I have ever seen, the kitchen diner. Just take a look at our pictures. Then to the rear and side we have the four bedrooms and three bathrooms all of a good size and all furnished and decorated to a high standard with a classy touch

Outside there is a lovely pool area a roof terrace carport driveway and gardens all paying credit to the work on the house this is all contained into an area off around 3000sqm but there is plenty more land totalling 21340sqm

As you can probably tell, I don't like this house... I LOVE IT and I'm sure plenty of other people will also MUST SEE PROPERTY
