

4 bedroom Villa for sale in Totana, Murcia

425,000€

Detached Luxury Villa of 332m² build on a large plot of in excess of 5,500m² 4 beds 3 baths with 10m x 5m private swimming pool mature landscaped garden stunning country and mountain views. It includes Solar Panels/Solar Energy.

GARDEN & GROUNDS: The house sits on the high point of a generous plot in excess of 5,500m² which has been designed for minimum maintenance with all-round views to the Sierra Espuna national Park, the Carrascoy Mountains and the Guadalatin Valley. Accessed via electrically-operated security gates which have an external intercom connection to the house, the house and garden sit on a 3,000m² plot. The garden is stocked with an impressive collection of well-maintained shrubs and trees chosen for their suitability for the local climate, beautiful tubs and planters, plus a stunning swimming pool area that is perfect for socialising and relaxing. Upper and lower terraces provide a choice of calm locations for reading, unwinding, wining and dining, while the stone-walled central area offers an eye-catching selection of flowering shrubs. For those keen on self-sufficiency, there is a 2,500m² area stocked with an orchard of fruit trees and a vegetable plot for growing vegetables all year round.

OUTDOOR LIVING: With two large terraced areas, both equipped with barbecues and a choice of seating areas, this garden is perfect for relaxing or socialising. An ideal location in which to enjoy the exceptional surrounding views, or just cool down in the generously-proportioned 10m x 5m kidney-shaped swimming pool: this house is designed for outdoor living. The swimming pool is equipped with roman steps for ease of access, has a solar shower and is surrounded by a large terrace. The property benefits from a separate supply of irrigation water which provides an inexpensive way to water the garden and top up the swimming pool. Solar panels generate some of the electricity needed at the property, thereby minimising the utility bills and, if you like a project, there is a 150m² under-build with sewer and water. Currently used for car parking and storage, it would lend itself to conversion to additional living
