VILLA ÍNDIGO, IN CUMBRE DEL SOL, EIN EINZIGARTIGER ORT~~~The Residencial Magnolias in Cumbre del Sol houses Villa Aqua, characterized by an architecture that looks outwards, to the blue of the Mediterranean and designed for sharing and celebrating.~~The upper floor houses the entire home, which provides extra comfort. The night area consists of three en-suite rooms bathed in natural light that preserve great privacy compared to the day areas. Living room, dining room, kitchen, are united with the exterior, thanks to the use of glass walls that promote a permanent visual connection with the sea. The terrace of more than 70m² is dominated by an infinity pool. The house is complemented by a multipurpose basement with two porches and a garage.~~The geometric shapes that outline the exterior structure are dressed in glass and sheets of natural stone in gray, which contrasts with the white of the façade. The cube that houses the terrace of the master bedroom stands out, which stands out and looks directly out to the sea.~~For more information and to arrange a visit, do not hesitate to contact us.
