

4 bedroom Villa for sale in Alhaurin de la Torre, Málaga

545,000€

2011 Homes presents this beautiful family home in Alhaurín de la Torre. Imagine waking up to breathtaking views in your own private oasis, yet just moments from everything that Costa del Sol offers. This stunning 4+ bedroom semi-detached home in the tranquil Pinos de Alhaurín urbanization is move-in ready and offers the perfect blend of quiet living and convenient access to Málaga city, the airport, and the coast.

Boasting a good size plot, established yet easy to maintain gardens including your own avocado, (huge avocado tree full of fruit), orange, and lemon trees, swimming pool area, two separate sheds, a covered porch, BBQ area, and carport – this home has it all!

Plot is completely walled and private. The entrance to the house is through a beautiful front porch that is an extension of living room and perfect al fresco dining area with great views. Entrance leads to a reception room with dining zone and open plan kitchen. There is a bathroom with shower and a big storage/pantry on this level as well. First floor offers three good size double bedrooms and a family bathroom as well as stunning lounge with lovely views through the round windows and feature round iron cast staircase to the second floor. This whole floor has vaulted ceilings and hosts the master suite with bathroom, big room that is currently storage and office, and a great terrace with views over the mountains.

There are three big outside areas, the front garden/courtyard connects nicely with the side orchard with BBQ space and leads to the back garden that has fenced area with the swimming pool and continues to upper back part of the yard that can be further developed and used as you wish.
