

2 bedroom Villa for sale in San Fulgencio, Alicante

224,900€

New residential complex in San Fulgencio with 2 and 3-bedroom apartments. Ground-floor units have private gardens, while penthouses feature solariums with pergolas, power outlets, and water points. Each home includes private parking, and the development offers a Mediterranean-style communal pool with landscaped gardens.

Built with high-quality materials, the apartments include electric blinds, double-glazed windows with thermal break, fully equipped bathrooms, LED lighting, and pre-installed ducted air conditioning.

Located in San Fulgencio, the complex is close to restaurants, shops, and key attractions. La Marina Beach is 10 minutes away, and Alicante Airport is a 30-minute drive. Ideal as a holiday home, investment, or permanent residence. Contact us for more details or a viewing.
