

6 bedroom Villa for sale in Albudeite, Murcia

320,000€

Large detached villa with plot of 11,188m² on top of the mountain, with no neighbors around it You overlook the town and surrounding mountains and can see some houses in the distance The plot includes 140 olive trees, several palm trees, orange, fig, lemon and grapes There is also a chicken coop

The villa of 350m² is divided into 2 residential houses, each with its own entrance The upper house is already fully finished, the lower house is partly finished, but offers many possibilities

You come via a staircase on the large veranda of 368m² here is the front door You enter the house in a large open living room with kitchen of 526m² with wood stove The kitchen has a large 6 burner stove with oven and a large fridge-freezer there is also a large bar where you can eat / drink Furthermore, there are 3 bedrooms, the large one is 17,2m² and there are 2 smaller ones of 10m² each), also there are 2 bathrooms The house has double glazing, shutters and mostly with mosquito nets

The house is offered partly furnished

The 2nd house, which still needs to be finished, you enter through a large garage door, the entrance is 205m² On the left is a largely finished bathroom (only the suspended ceiling needs to be put in) of 77m² Then there is a large open space of 388m² where you could make a living room with kitchen, although the kitchen can also be placed in one of the other rooms There is also a room which is currently used as a workshop of 216m² and 2 additional rooms of 16m² and 188m² The house is double glazed and electricity has been installed everywhere

The houses have drinking water, a septic tank and are equipped with electricity by means of solar panels (2000 watts)
