

5 спальная комната городская тюрма продается в Sangonera la Seca, Murcia

139.900€

Just arisen to the market this beautiful terraced townhouse in the center of Sangonera la Seca, close to all services and amenities and just a short distance to Alcantarilla town,

The property is nicely designed offering big rooms for a big family to enjoy.

In the ground floor we can find a nice wide and square living room, a guest bathroom, ground floor bedroom and a nice independent kitchen with a big rear patio. At the front we can find a nice porch with a terrace.

Coming to the first floor, we find three double bedrooms a big main bathroom with jacuzzi, having the main bedroom a nice terrace.

There is too a nice attic totally finished which can be used as a games room, gym, extra lounge or even a big bedroom.

In the underbuilt, the property enjoys a big private garage and storage area,

In the lounge we can enjoy a nice fireplace.

It is great value for money and priced to be sold.
