

3 спальная комната вилла продается в Calasparra, Murcia

350.000€

Welcome to this stunning promotion of 6 luxury new build homes set in the quiet and verdant area of Calasparra, Murcia. Each home is set on an extensive plot with a minimum of 1000m², perfect for privacy and ample outdoor space for relaxing and entertaining. Each villa boasts 3 double bedrooms, master with en-suite bathroom and dressing room, a further guest bathroom and guest WC, cloakroom, impressive light and bright living, dining rooms with large patio windows to the outside terrace and luxury open concept kitchen with utility room. Outside space offers extensive terraces, gardens, on site parking and of course private swimming pool. The villas are set on one level making this a firm favourite for families with small children, or those with lesser mobility. A quiet inland location, Calasparra offers a natural beauty to relax and enjoy time in the outdoors, a few minutes drive to Calasparra itself with necessary amenities including local shops, supermarkets, pharmacy, bars and restaurants, 40 minutes to downtown Murcia and Covera airport and an hours drive to the coastal regions of Mazarron and the Costa Calida. Perfect for those longing for the peace and tranquility of a slightly more rural Spain, yet not isolated. Contact us today for viewings and more information. Completion forecast for late 2024.
