

**4 спальная комната городская тюрьма продается в Pegalajar, Jaén**  
**28.000€**

Situated in the town of Pegalajar in the province of Jaen in Andalusia, Spain. This 3 storey terrace house on a quiet no through pedestrian street is crying out to be finished off. With first fix plumbing, soil pipes, new windows and doors, it is nearly there. On the ground floor enter into the living room with a further room behind planned to be the kitchen diner with door to the outside. Stairs lead off this up to three bedrooms and a bathroom and further stairs up to the open roof with plans for a studio flat with bathroom and stairs to go up to the roof terrace which has spectacular views. Outside stone steps lead up to a larger flat area for a patio. Reduced to sell, now on the market for 31,000 euros. This house is on the same terrace as TH4647 suitable for friends to buy or for renting out one property and living in the other.
